Boarders Seek Boarding Places Where They Are Likely to Be Found. Dispatch being the general

boarding and room-renting medium of Virginia. This is not exactly the boarding-house season, but it is well to get in the game just the same. If you have furnished rooms to let, flats, or boarding accommodations of any kind, Times-Dispatch Want Ads. will put you in the way of making money. Money-good, hard, honest United States money. Try them a few times and see.

Following each classification below is the announcement or a progressive relisible concern, which is prepared to offer special facilities to the "Mail Order Trade." Particularly to farmers and those who reside some distance from the conveniences of the city stores. Owing to the extension of the rural free dailvery revice throughout this section, it is no longer necessary to "come to town" to do your shopping—simply make your selection from the goods listed below or write for information, which will be glady mailed and then send your order by mail. The concerns listed on this page are selected as representative and may be classed as headquarters in their particular line. When writing for catalogues or information always mention The Times-Dispatch.
